

# Anti-Vietnam War Song

- Since we have just listened to some anti-Vietnam war music, you will create your own anti-Vietnam war song. The song should be:
  - *A minute and a half-two minutes*
  - *Lyrics **MUST** be typed **AND** printed. Make sure your song has a title*
    - Make sure everyone's name is on the paper
  - *Write the song and the artist that you used when creating your song*
- You may choose your own groups for this assignment. Up to groups of 5 would be fine

# My Advice

- Pick a song that is somewhat slow.
  - *A pop song, something you may hear on the radio*
- Don't pick a song that requires real range, in terms of singing
  - *No Beyonce, Mariah Carey, etc.*
- Don't do rap
  - *I know you think you can all spit fire. You can't. Trust me.*
- Performances that go above and beyond will receive extra points
  - *If you can play instruments, feel free to bring them in and make your own song*
- You have today and Wednesday to work on this. You will perform your songs on during the 2<sup>nd</sup> half of Thursday or Friday.
