

# **AVID College Paper**

In a minimum 3 page, MLA format paper, you will research one of the colleges that is currently in your top 10 of colleges to attend (you should've created an interest list in College Raptor). I have attached different aspects that you can research about the college. You need to ensure that this paper is grammatically correct. You will have two weeks to work on this in class. It will be due on Wednesday, September 23<sup>rd</sup> by the **END** of the period. **NO LATES WILL BE ACCEPTED!** This is worth 100 points!
