

## Interview Tips

- 1) Make sure to dress professionally (see guidelines I gave you previously)
- 2) Do some research into the company you are applying to. Make sure you know what they expect/are looking for
- 3) Arrive **EARLY** (usually 15 minutes is good)
  - a. Subsequently, don't expect your interview to be right on time. Sometimes, they take longer than the allotted time for each interview. Just be patient.
- 4) Make sure to shake your interviewer's hands and introduce yourself before starting the interview.
- 5) Make eye contact and give clear responses. It's understandable if you're nervous. Just try and hide it as best as you can (fake it till you make it!)
- 6) Before leaving, make sure to shake their hands once again and thank them for the interview
- 7) **NEVER** ask how much money you are going to make at an interview. It's not appropriate
- 8) If your interviewer asks if you have any questions for them, **ALWAYS** have a question (an appropriate one) prepared. It makes you look like you care/want the job.

All interviews are taking place via Zoom, with me. Please make sure to select a time via the Google Doc link. You must select a time by Friday at 11:59 p.m.

Good Luck. I know you'll all do great!
