

Civil Rights Leaders

YOU GET TO PICK!

Civil Rights Leaders

- You will get to pick the Civil Rights Leader you are researching about. That said, once a leader is picked, **NO ONE** else in **YOUR CLASS** period can select that person. The civil rights movements/categories you can choose from are:
 - African American
 - Asian American
 - Chicano
 - Disability
 - Environment
 - LGBTQ+
 - Native American
 - Women's
- I will make a list of names for your class period, that way you'll know when a name is off the board. Your person must have been active from the 1950s-present.
