

The Politics of the 1920s

DIRECTIONS Search for evidence in Chapter 7, Lesson 1 to help you answer the following questions.

ESSENTIAL QUESTION

How has the cultural identity of the United States changed over time?

As you gather evidence to answer the Essential Question, think about:

- the major shifts in politics and economics.
- the major shifts in the arts.
- how popular culture reflects a society's identity.

1A RELATING EVENTS Why did Harding campaign on “a return to normalcy”?

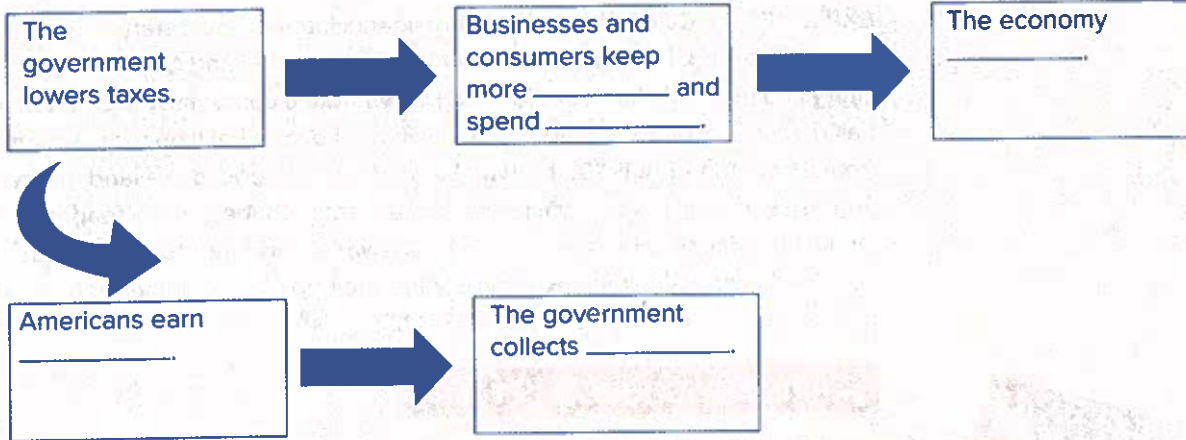

1B ANALYZING How did scandal hurt Harding's efforts at “normalcy”? Give examples.

2A IDENTIFYING What is isolationism?

2B INFERRING Why do you think many Americans favored isolationism during the 1920s?

ECONOMICS

Use the cause-and-effect graphic organizer below to explain the idea behind supply side economics.

DESCRIBING What was the goal of the Washington Conference?

RELATING EVENTS How did the Washington Conference lead to the Kellogg-Briand Pact?
