# Immigration

**DIRECTIONS** Search for evidence in Chapter 3, Lesson 3 to help you answer the following questions.

## ESSENTIAL QUESTION

*How did the United States become an industrialized society after the Civil War?*

As you gather evidence to answer the Essential Question, think about:

- the role of immigrants in the expanding economy of the United States.
- the opposition immigrants faced as they tried to build better lives.
- the role the government played in both encouraging and preventing immigration.

**1A CONTRASTING** In which industries did Italian immigrants commonly work, and how did those industries compare to the industries in which Jewish immigrants commonly worked?

---

---

---

---

**1B COMPARING** In which industries did Polish immigrants commonly work, and how did these industries compare to those in which Italian and Jewish immigrants worked?

---

---

---

---

**2A COMPARING** How were Ellis Island and Angel Island similar?

---

---

---

---

**2B RELATING EVENTS** After immigrants left Ellis Island or Angel Island, where did they typically settle?

---

---

---

---

## My Notes

---

---

---

---

---

---

---

---

- 3 **GEOGRAPHY** Complete the Venn diagram by writing where the majority of immigrants in each state came from.

- 4 **ANALYZING IDEAS** What did the American Protective Association and the Workingman's Party of California stand for?

---

---

---

---

- 5 **CIVICS** How did the Chinese Exclusion Act of 1882 seek to prevent Chinese immigration?

---

---

---

---
