Participation Requirements (40%)

Although the goal is to improve upon your English proficiency in this class, the focus of this class is also to pass your other classes. When we are done with the lesson or assignment for the day, you should be working on work for other classes. Failure to do so will result in losing daily points for your participation grade. Each day is worth 5 points. You can lose points for the following:

- Being late to class
- Not putting your phone in the chart or charging it
- Grabbing your phone without permission
- Going to the bathroom for long periods of time
- Not working on the assignment for this class
- Not working on assignments for your other classes
- Goofing off with your classmates

Quizzes (40%)

Every Friday, there is a quiz in this class. The quiz will reflect the weeks lesson. If you miss it, you'll need to make up the quiz as soon as you return. There is to be **NO TALKING** as long as a quiz is out. If you talk, it will be an automatic zero on the quiz, so please be vigilant.
