

WARREN COURT

# SUPREME COURT CASES

- Each of you will be paired in groups of 2-3 and analyze a court case that established important laws or practices that are relevant to you, even today. Each group will grab a sheet of butcher paper and create a poster with key information about the case. You have today and tomorrow's class period to work on this. You will be presenting this Wednesday. The poster should have the following:

- Name of the case
- Background of the case
- What did the case establish
- Why does this matter
- A visual image
