

Week 9

Week 8, Will Get Back Paragraph on Wed.

All About _____ Paragraph

I learned a lot about Marcell yesterday. One of his favorite foods is his mom's spaghetti and she's also the person that knows Marcell the best. Marcell loves to sleep and is constantly buying new clothes, although receiving a pair of socks was one of the worst gifts he's ever received. As a kid, Marcell had blonde hair and he considers himself to be a clean person. If Marcell was ever stranded on a deserted island, he would want to be stranded with Andrew Tate.
